Robert:

Thanks for taking my call earlier this afternoon.

I am delighted you will be prepared to discuss Item 4 on the Agenda (copied below from the Outlook meeting notice) "Active Shooter Training – How did it go? Lessons Learned."

Also, please feel free to share any of your open concerns during the meeting at the appropriate time of the meeting. (Trying to keep this from being the Theresa and Todd show so to speak. The more we can share the Agenda coverage, the better participants usually feel about attending.)

Thank you,

Todd W. Baker, MSPH, CHP
